Ellel 365

Personal transformation - One day at a time!

For almost 25 years Ellel Ministries International has been ministering discipleship and healing across the globe. At the heart of Ellel Ministries is foundational, life-changing teaching about living in the Kingdom of God. The truths of God's word, taught in a way that is clear and relevant to the real issues of life have, literally, transformed thousands of lives. **Ellel 365 now provides this vital foundational training in an online, one-day-at-a-time, multi-media format.**

The Vision for Ellel 365

The vision for online training through Ellel 365 was birthed in a moment of time, as a direct word from the Lord, during a time of prayer with the whole Executive Leadership of Ellel Ministries.

The Objective of the Training is to:

Establish a solid rock of truth in people's lives,

Identify and Overcome issues which are stumbling blocks in Christian life and growth,

Equip them to receive God's wholeness and healing as disciples of Jesus,

Enable them to enter into the fullness of their spiritual destiny, and

Provide fellowship and encouragement along the way.

Ellel 365 is not a quick fix to patch over a personal problem, but it is a means of bringing personal transformation at the deepest level – restoring God's order in the detail of their lives and equipping people for effective service in the Body of Christ.

Our expectation is that at the end of the Ellel 365 year, there will be hundreds of people reporting life transforming experiences as God has healed them, step by step, from the inside out.

What subscribers have said about Ellel 365:

"What you have put online is amazing! I am absolutely thrilled that such a well thought through teaching is now available for almost everybody worldwide. The web presentation is very professional, the text is well prepared and helpful, it's very well done."

"The idea of gradually building up my knowledge, with the foundational truths squarely in my head and heart is fantastic. I thank God for this course. To have the opportunity for this level of teaching online is simply 'beyond wonderful.'"

"My heart is soaring with this teaching... every day's such a blessing... so timely."

ALL THIS, AND MORE, FOR THE COST OF A DAILY NEWSPAPER

WHAT DOES ELLEL 365 INCLUDE?

DAILY TEACHING

As a member of Ellel 365 you will have access to a 52 week training program, which will be unlocked one week at a time during the year. Each weekly module consists of five training days (written by Peter Horrobin) a review day and a devotional day. Visit 'www.em365.org/teaching-content' to see the full teaching program.

ACCESS TO TUTORIAL TEAM & QUESTIONS ARCHIVE

Each student will be able to send questions, related to the teaching content, to the Ellel Tutorial Team through an online Questions Forum. This will also include an invaluable resource of previously asked questions.

AUDIO & VIDEO

Every week a 30 minute audio teaching (from the 'Steps to Life' series) and a 30 minute teaching video will be released for you to enjoy online. They will remain available for as long as you are a subscriber to Ellel 365. This resource alone would cost more than the annual price of Ellel 365 but is available as part of the subscription.

OPTIONAL ONLINE ASSESSMENT

Students of Ellel 365 can choose to take an optional monthly online assessment. Each assessment will be based upon the previous month's teaching content. This can be done 'just for fun' or - to see how you are doing - or to gain the Ellel 365 Certificate at the end of the year.

THE ELLEL 365 CERTIFICATE (Come on an Ellel School and get your money back!)

All those who achieve the Ellel 365 Certificate can then use their certificate to obtain a discount (to the full value of what they paid for Ellel 365) off a Modular School at one of our centres, the 9-week Flagship School at Ellel Grange or Ellel Australia, or the longer NETS School at Ellel Pierrepoint. (See www.ellelministries.org for more details).

COMMUNITY

Ellel 365 is all about personal transformation - a journey that you embark on with the Lord. However, there are others on this journey too and part of the vision for Ellel 365 is that you would be able to interact with other students in an online community. There is an Ellel 365 online community forum and many other community features to come!

HOLIDAYS, VACATION TIME OR JUST TAKING A BREAK!
